# MARINA PRIOR

## LEADING LADY

AUSTRALIA'S BEST LOVED  
MUSICAL THEATRE STAR

**Marina Prior** is Australia's leading lady of musical theatre.

She rose to stardom as Christine in *The Phantom of the Opera* and has performed over twenty leading roles in productions including *Cats*, *Les Miserables*, *Guys & Dolls* and *Mary Poppins*. She was named one of Australia's top 100 Entertainers of the Century.

See Marina as you have never seen her before – up close and personal - in an intimate performance, sharing music and memories from her career.

**LEADING LADY** will take you on a journey of songs ranging from the early folk pop songs of her busking days - a collection of music from the female performers of the 70s and 80s including Joni Mitchell, Wendy Matthews and Kate Bush – through to her favourite theatrical songs from such shows as *The Phantom of the Opera*, *Cats* and *Les Miserables*. Marina is accompanied on piano by the multitalented David Cameron.

Marina invites you to share the music she grew up on, and the songs that made her who she is today.
